## 6 — Country Roads [A]

©John Denver  
W&M: Unknown

1. Almost heaven, West Virginia  
 Blue Ridge mountains, Shenandoah river  
 Life is old there, older than the trees  
 Younger than the mountains, growing like a  
 breeze

Ch: Country Roads, take me home  
 To the place, I belong  
 West Virginia, Mountain Mama  
 Take me home, Country Roads

Ch: Country Roads, take me home  
 To the place, I belong  
 West Virginia, Mountain Mama  
 Take me home, Country Roads

2. All my memories, Gathered round her  
 Miner's lady, stranger to blue water  
 Dark and dusty, painted in the sky  
 Misty taste of moonshine, teardrop in my eye

I hear the voice in the morning when she calls  
 me  
 The radio reminds me of my home far away  
 And driving down the road I get a feeling  
 That I should have been home yesterday,  
 yesterday...

## 7 — Hey Jude [D]

©The Beatles

<p>1. Hey Jude don't make it bad  Take a sad song and make it better  Remember to let her into your heart  And then you can start to make it better</p>	<p><b>D</b>                    <b>A</b>  <b>A7</b>                    <b>D</b>  <b>G</b>                        <b>D</b>                                <b>A7</b>                    <b>D</b></p>	<p><b>D</b>                    <b>C/E</b>  Na Na Na Na Na Na Na  <b>G</b>                        <b>D</b>  Na Na Na Na, Hey Jude</p> <p><b>D</b>                    <b>C/E</b>  Na Na Na Na Na Na Na  <b>G</b>                        <b>D</b>  Na Na Na Na, Hey Jude (fade out)</p>
---	---	--

2. Hey Jude don't be afraid  
You were made to go out and get her  
The minute you let her under your skin  
Then you begin to make it better.

And anytime you feel the pain, hey Jude, refrain  
Don't carry the world upon your shoulder  
For well you know that it's a fool who plays it cool  
By making his world a little colder

3. Hey Jude don't let me down  
You have found her, now go and get her  
Remember to let her into your heart  
Then you start to make it better

better better better better better

aaaaaaaaahhh!
